

ACA SCHOOL LISTS:

Kindergarten:

VELCRO SHOES are recommended. Please avoid sending your child to school in shoe laces until he/she knows how to tie it themselves. VELCRO shoes are more sufficient for this age group.

BACKPACK-Must be manageable by your child. Needs to be SIMPLE. One large zippered area that your child can easily get a 1 inch Binder in & out of. The metal zippers on the bag ARE better than the plastic ones. The plastic ones do break. Also, make sure that the bag has NO FLAP ON THE ZIPPER. These such flaps frustrate the children as they are working on their independency.

MAKE SURE ALL SCHOOL SUPPLIES LISTED BELOW ARE LABELED INDIVIDUALLY then placed inside of a disposable bag with your child's name on the outside.

5th/6th Grade Publications Class

As part of 5th/6th grades English Language Art grade, Amite Christian Academy is going to be publishing a monthly newsletter written by our students. The newsletter will include but not be limited to, what each grade did for that month, sporting events, activities, and/or field trips etc. Students will learn how to interview, take photos, and write articles with the English skills they have acquired throughout his/her student career.

With this class, the materials needed will be Stenographer notepads, mini note pads, press pass, copy paper, etc. In order to keep everything uniform and stocked throughout the year, we need a one-time \$5.00 fee for these supplies. We are looking forward to seeing what your students create throughout this school year.

Thank you,

5th/6th Grade Teacher
